

# RIVERFEST 2012 ELECTRICAL NEEDS FORM

Due to the changes in the festival site and the availability of or in some case the non-availability of electrical power, Riverfest needs to know exactly what your electrical requirements will be for this year's festival. Please fill out the attached form listing your anticipated electrical needs. We would like to have sufficient power to allow you to operate your food booths as efficiently as possible. In order to do this we need to be able to place those vendors needing more power closer to the distribution points. Please fill out the attached form as completely as possible because the information we receive prior to the festival the better equipped we will be to accommodate your needs prior to and during the festival.

(See back of this form for example)

COMPANY NAME \_\_\_\_\_

VENDOR NAME \_\_\_\_\_
